07/25/2007 - FRANKFORT — The Kentucky Agricultural Development Board approved \$5,553,701 in agricultural diversification projects during its monthly meeting July 20 in Florence.

The Magoffin County Cattle Association was approved for \$27,500 in Magoffin County funds to administer a menu approach for three model programs, including cattle handling facilities, cattle genetics and swine diversification.

County model programs are designed to provide farmers with cost-share funding to allow them to improve and diversify their current production practices.
